

A Danger of the Spirit Box

(Poem)

-by Brian Edwards

(Written May,2018)

**A Danger
Of the Spirit Box
Are the voices
That could remain**

**Sometimes
When you shut off
The box
Some voices
Won't stop**

**Some voices
Could stick around
And shake the very ground**

**And could drive you insane
Or at least
Close to insane**

**That's what could happen
If some voices remain**

**It's a damn real
Danger of the box**
